## Prayer and Praise:

- Praise the Lord for the thirty converts who were baptized. Pray that they will stay faithful to the Lord.
- Please intercede for more laborers!
- Pray especially for the needed teachers and assistants for the school in Ladybrand.
- Praise God for those who financially support us faithfully even during difficult times. We appreciate you!

Can you help us pinch pennies?

## January-February 2012

### Baptism 2012

**Thirty people who had gotten saved in the last two years were baptized this month!**

Baptism is a big decision here. Some people are afraid of water, while others are afraid of their families. A lady from our congregation wanted to be baptized, but her husband refused to allow her to take this step.

*He who believes and is baptized will be saved; but he who does not believe will be condemned. —Jesus*

Rev. Kali and Glenn have temporarily taken over pastoral responsibilities for this congregation at Ha Mokhachane. They alternate Sundays traveling the two hours into the edge of the mountains to be with these dear people. **Please pray that God will call a permanent shepherd for this flock of believers.**

Two weeks ago, Glenn and two other pastors held a weekend revival and evangelistic campaign in the village. Around sixty people responded to invitations to seek the Lord during the weekend. Though most did not get saved, this spiritual openness is encouraging! **Please remember them in your prayers.**

## Kaitlyn & Kristell's Korner

Hi! I'm 2 1/2 now, and I like to tell Daddy and Mommy that "I'm a big girl!" I go to Sunday School—once I got this doll for a prize, but mostly I just like the candy. I like to ask everyone for candy!

In January, I went on my first camping trip! Daddy and I climbed this mountain and slept near the top. We roasted hot dogs and marshmallows and had a great time!

## Ntate Au Letuka

Born in 1918, Ntate Au Letuka was the chief of the village of Matukeng for many, many years. He gave this piece of land where we live to the church to start the clinic back in the '70's.

On January 29, 2012, Ntate Au left this world not having made any profession of faith.

The family asked Rev. Kali (above) to hold the funeral on February 18. We

thank God for this opportunity when many people, including several chiefs, heard the Gospel!

**Thank you for your commitment to helping us spread the Gospel in Lesotho!**
