Prayer and Praise:

- Praise the Lord that Pieter Marais is recovering very well from his recent heart attack. He is getting stronger daily, and planning to continue the Bible Distribution work. If you would like to contribute to his medical expenses, please send your donation to HIM marked "Marais Support."
- Praise the Lord for new converts and miraculous healings during the month of November!
- Continue praying for us during a time of ministry transition. We are trusting God to work all things for good for those who love Him.
- It is summer here and pastors are starting to hold evangelistic tent meetings. Please pray for the harvest!

What do you do?

Recently a young man in South Africa asked me, "What do you do?" I replied, "I'm a missionary in Lesotho." My answer didn't satisfy him, and without missing a beat he queried once again, "Oh. What do you do?" Hopefully the pictures below will give you an idea of some of the things the Lord is doing here and how we are involved.

Teaching in Bible Schools, mentoring young pastors, and preparing material for training Christian leaders is a major part of Glenn's ministry. The students in this picture are writing the final exam for the Acts class he taught in Ladybrand this year.

Stephanie, Mrs. Ntseke, and Miss Selina work together to teach the growing children's Sunday School class at Matukeng.

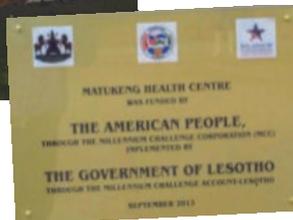

Stephanie's greatest ministry is home schooling Kaitlyn and Kristell.

Glenn is currently serving as chairman of the board of Hope Christian Academy. We both occasionally speak in chapels there.

Recently Glenn has been attending meetings regarding the renovation of Matukeng Health Centre. The work is almost finished.

Coming to AMERICA

We will be in America to visit family, friends and supporters from January 23 to July 29, 2014. After we arrive in New York City, we will pick up a vehicle from Mission Helps Inc. in Pennsylvania and head for Sea Breeze Campmeeting in Florida. After campmeeting, we plan to start our travels with services in the Southeast and gradually work our way north and eventually west to Colorado.

If you would like us to visit your church, please email us at gsgault@gmail.com. We are looking forward to seeing you and sharing what God is doing in Southern Africa!

Urgent Financial Need

As we come to the end of 2013, we are facing a very difficult situation where Hope International Missions' Africa General Fund is deeply in the red. This fund is at the heart of spreading the Gospel in Lesotho and South Africa. We have already cut out all the "non-essentials," but further cuts which will hinder the spread of the Gospel will have to be made if we cannot cover this shortfall. *As we approach December 31, would you please consider giving generously to help us get back in the black?* Checks may be marked "Africa General" and mailed to the Support Address on the left. Thank you for partnering with us!

Kaitlyn and Kristell's Korner

Mommy made a horse cake for my 8th birthday.

After a LONG drought, the rainy season has finally come!

V is for Volcano. We made a vinegar and soda "volcano" in preschool when I learned the letter V.

'Me Mantseke bought a little gift for every child who attended Sunday School faithfully from August to November.

We wish all our friends and supporters a blessed Christmas!
