Prayer and Praise:

- We will be having some very important meetings in Lesotho during the month of September. Please **pray** for Mr. Grant, Mr. Howard, and all the other people who will be involved.
- **Praise** the Lord for His help with our deputation tour! We were able to meet our personal financial needs, and progress was made on the Southern Africa Field Budget.
- **Praise** the Lord for a good Ladies' Conference at the end of July.
- Please **pray** for the pastors in South Africa, Zimbabwe, and Lesotho who partner with Hope International Missions.

An attempted coup in Lesotho at the beginning of September has left the country tense and unstable. Please pray for peace!

June-August 2014

Deputation 2014

We held more than 45 services in 18 states.

We enjoyed family reunions with the Strattons, Gaults, and Oettingers.

The Jon and Joana (Ryder) Stratton wedding was a highlight!

Glenn and his brother Wesley hiked Pikes Peak with their older children.

Special times with dear friends!

The girls enjoyed visiting the "Little House on the Prairie" with Grandpa and Grandma Stratton.

Fire At Our House

On July 3 we got a shocking text message from Lesotho that there had been a fire in our house. At first we feared the worst, but God mercifully protected the house and most of our belongings. We are very thankful for our friends in Lesotho who removed our possessions and put out the fire. Most of the actual fire was in Glenn's study. The whole house was filled with thick, black smoke, but there was very little structural damage. **Thank you so much to each person who has prayed for us and given towards renovating our house and replacing Glenn's library!**

Rev. Kali has been a tremendous help with the painting!

We had the house wired for electric. Now we are waiting for the electric company to hook us up to the grid. (It could be a long time!)

Glenn and several others have worked hard to repaint the house. Only two rooms, the study and the girls' room, still have to be painted. The girls want (you guessed it!) pink and purple in their room. Now we are in the process of putting things away so we can move back in—still a big job!

Two years later the clinic still isn't completely finished! Still, it is mostly functional and a great blessing.

The little meeting room/church that was included in the clinic renovation is very nice but too small!

This grandmother was thrilled to have most of her family in church at HaLi-hanela for the first time on Sunday!

Pray for HIM's children and orphan ministries!

Kaitlyn & Kristell's Korner

Fun on the farm in NY!

Spending time with their cousins in America was a big highlight to the girls! !

Kristell was Uncle Jon and Aunt Joana's flower girl.

Picking strawberries with Aunt Judy

On Sept. 1, Kaitlyn started fourth grade. Kristell is now in Kindergarten.

Uncle Doug's potato cannon

We have many partners on our support team who help us in many different ways!
Thank you for being one of them!
