Prayer and Praise

- Praise the Lord for a safe trip to Namibia!
- Pray for Pieter and Hester Marais and their two helpers as they move on to Zambia to sell more Bibles.
- Join us in praising God for the good Ladies' Conference the first weekend of July.
- Please note the special prayer request for the Bible societies at the bottom of this page.
- PRAISE God for progress on Caleb's visa! We have an interview scheduled at the embassy in Johannesburg on the 24th of August. Please pray we will receive his visa quickly after the appointment.

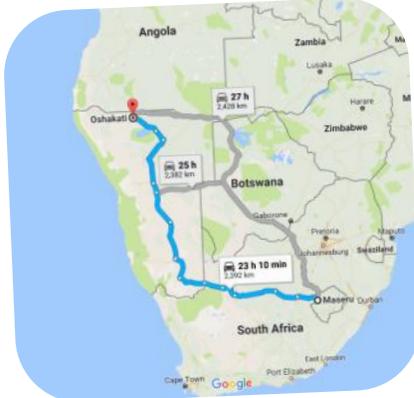

The Lord willing, we plan to come to America in October for furlough and to finalize Caleb's citizenship!

Bible Distribution Trip to Namibia

In June, we traveled to Namibia to help with HIM's annual Bible distribution trip. The focus of the trip was helping the Bible Society of Namibia reintroduce Kwanyama and Ndonga Bibles. Because these Bibles had been out of print for some time, people were very glad to see them available again, even though the price was quite high. The pictures will tell the rest of the story.

We traveled to the Oshana region almost on the border of Angola. It took longer than Google said it would! :-)

A TLC team flew into Windhoek, Namibia, to help with the work. Erik Grant (HSBC intern), the Motovilovs, and Mr. & Mrs. Nkuni also helped Pieter and Hester Marais with the Bible distribution.

We passed out 10,000 tracts and enjoyed fellowship with an evangelical church there.

Selling Bibles

We visited Etosha, a HUGE game preserve, on the way back to the airport.

Life at the camp

Please pray especially for the Bible Societies of Africa. Balancing the need for Bibles at an affordable price, with the ever increasing cost of printing and office overheads, is a great challenge. Pray that the General Secretary of each country would have God-given wisdom and vision for their work.

Other News

So much has happened since our last newsletter! Besides the normal routine of mission life, Stephanie made a short trip to visit her parents in April. Thankfully, her mother is still in reasonable health, but the cancer is progressing. In May, Glenn and the girls went to his sister's wedding and were able to visit both sets of grandparents. Your generosity that allowed us to have these family times is extremely appreciated!

In ministry news, last weekend was the ladies' conference here at Matukeng. The services were good, and a much needed revival is beginning. Stephanie was especially pleased that some of the "twens" she has been discipling held a service for the children so that the ladies could all be together in the main service.

If Caleb gets his visa in September, as expected, we are planning to come to the USA to finalize his citizenship and for furlough. By faith, some deputation services

are being planned. If you would like us to visit your church, please email us at gault@feaministries.org. We are looking forward to seeing you!

My friends and I baked sugar cookies for the 4th of July. I had fun sleeping in a tent, cooking outside, and selling Bibles in Namibia.

The Kids' Korner

I got pretty bored selling Bibles in Namibia, but I enjoyed camping. And I REALLY enjoyed Erik and Michael!

Being the flower girl for my Aunt Joy and Uncle John was pretty special! I'm glad to be home to play with my friends again.

Your prayers are the key to the success of our ministry. Thank you for supporting us!
