August—September 2017

He Got It!

On the 24th of August, the U.S. Embassy in Johannesburg granted Caleb an Immigrant Visa. He will become a citizen when he arrives in America.

Thank you so much for praying!

We have tickets to travel to America arriving on the 4th of October. We are excited to introduce Caleb to family in America as well as visiting supporting churches and friends.

Our tentative plan is to hold services in FL, PA, NY, OH, IL, IA, KS, OK, CO, AL, and NC. We still have several openings especially from KS on, so do let us know if you are interested. If a service doesn't work out, maybe we could just stop by for a visit. Please email us at gault@feaministries.org!

Announcing New Missionaries!

Angela Thornton is currently on deputation and plans to come to Lesotho in March 2018. Her studies in child evangelism and education will be a tremendous blessing in Southern Africa. Her ministries will include:

- Reach children and their families with the message of Salvation
- Educate Southern Africans through a Biblical and Holiness worldview
- Advocate the need for Christian nurses to minister to both the body and the soul
- Coach local congregations on effective Child Evangelism skills
- Hand over the responsibilities of ministry to those who have been trained
- Encourage believers to use their God-given talents in building His kingdom
- Seek new locations for ministry when these goals have been fulfilled in one area

The **Wes & Misty Peterson family** will help make disciples by working with orphans and vulnerable children in community-based programs through the ministry of the local church. Wes' business background will provide administrative experience to HIM's churches that will enable them to manage income-generating projects. Misty's years of experience as a nurse will be a blessing to HIM's clinic at Matukeng. Please pray for them as they raise the necessary support for their family to move to Africa!

We are excited about how God is answering prayer by calling new missionaries. Please continue pray that the Lord of the harvest will send more laborers into the fields. Pray for us as we speak to young people while we are on deputation!

Training Future Leaders

While still in college in America, I remember seeing a bumper sticker that said something like “I shape the future. I teach.” Though it may sound overly optimistic, this statement resonates with Stephanie and me. Our ministry has many facets, but we believe the best way to bring hope to Africa is to train and mentor others. Last weekend Stephanie met with children’s workers from several congregations to discuss ministry and share

some new ways of reaching children. I have contributed computer skills to a non-denominational team that has translated a simple Bible School curriculum into Sesotho. On Friday nights I teach in HIM’s Bible School, and on Saturday afternoons Stephanie meets with a small group of girls ages 10 and older in hopes of mentoring them to become strong disciples of Christ.

We are excited that new missionaries will be joining this effort, but more laborers are still needed! HIM especially needs a missionary to focus on training workers in South Africa. Please join us join us in praying!

Prayer and willing workers CAN shape the future of Africa!
